

Microsoft  
Dynamics GP

easier  
simpler  
more productive  
business management software

## Customer Pricing

Quickly Add  
Customer Specific  
Pricing to Any Item

Install and  
Implement in  
Minutes.

Zero Learning  
Curve

"Your products certainly  
have extended Dynamics  
functionality for our client.  
Great Job!"

**Momentum Technologies,**  
CEO

"Dynamics GP Partners will  
want to know about this  
module."

**New York Business Solutions,**  
Lead Consultant

QTY From	QTY To	Calculation Type	Price/Amount	Percent	Price
1	9	% Inc-Last Cost	0.00	30.00	\$20.74
10	19	% Inc-Last Cost	0.00	20.00	\$19.15
20	0	% Inc-Last Cost	0.00	18.00	\$18.83
	0		0.00	0.00	\$0.00

Easily add customer specific pricing without lengthy training and in as few keystrokes as possible.

This module is written in Dexterity so it works just like GP. Nothing new to learn! It is 1 click from Customer Maintenance & 2 from Sales Order.

System: 9/19/2006 8:57:00 AM Wide World Importers (Sample) Page: 1
